Latex

### Applications

Indoor Signage
Trade Shows
Front-lit Signage
Roll Up Stands

### Description

This hybrid film has a rich, anti-glare texture that works perfectly in banner stand applications. Its dark grey back provide extra opacity, keeping your images bright with no wash out from light penetrating the print. Composed of a unique blend of film, this helps keep print laying flat. A great cost effective option over PET film.

### Available Sizes

#### Widths (inch)

36"				

#### Lengths (feet)

20'	100'
